

GR8 / DCA-8000 NVS-8150 / DSS-5000

EQUIPMENT TRADE-IN PROGRAM

Earn credit to your Dealer's Parts Billing account with equipment trade-ins

**\$150
credit**

For purchase of a new
DCA-8000 PLUS trade-in
of a GR8 controller unit
(GR-8 head unit only)

**\$100
credit**

For purchase of a new
DSS-5000 PLUS trade-in
of an NVS-8150

The Process:

- Complete & enclose the EQUIPMENT TRADE-IN FORM on the reverse side of this flyer listing each unit traded in
- Attach the orange TRADE-IN BATTERY EQUIPMENT ENCLOSED sticker to the exterior of the shipping box
- Once units are received, checked in, and trade-in terms verified, your Midtronics dealership account with Bosch will be credited per the terms of the rebate program
- Please allow 45 days for the credit to appear in your account

Restrictions:

- Limited to a "one for one" trade-in for credit
Amount of credits issued per product can't exceed the number of products purchased
- For example: If you purchased 5 new DSS-5000 units and 3 new DCA-8000 chargers, you can send in the corresponding number of trade-in units and qualify for up to 5 (five) NVS-8105 \$100 credits and 3 (three) GR8 \$150 credits
- All units must be shipped by August 31, 2019 to qualify for trade-in credit
- All instructions regarding rebate form completion shipping of trade-in equipment, shipment box labels, and ship by date must be completed accurately and as directed or your credit may be delayed or nullified
